RE: Peer Employment Training and other certificates

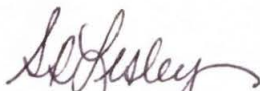

Dear Ms. Angeles:

Thank you for your recent email where you requested copies of yours and your husbands Certificates of Completion for Peer Employment Training. I have enclosed a copy of your certificate. As Peer Employment Training is considered a recovery service, I am not allowed to provide a copy of your husband's certificate as that violates his right to confidentiality. If he would still like a copy, please have him send me an email and I will forward it to him. My email address is shelley.lesley@riinternational.com.

As Jefferson Transitional Programs is no longer in business, I regret to inform you that your Peer Employment Training certificate is the only one that I can provide for you. We do not have any records related to who completed what class when other than Peer Employment Training.

I wish you the best of luck on your continued journey of recovery.

Sincerely,

Shelley R. Lesley
